Submitted, and ordered to be printed.

Mr. PHELPS made the following

REPORT :

*The Committee on Revolutionary Claims, to whom was referred the memorial of Simon Summers, praying the allowance of commutation, report :*

1st. That it appears, from the evidence exhibited by the petitioner, that he served as a staff officer, and not as an officer of the line. He was, therefore, not entitled to either half pay or commutation.

2d. He left the service on the 10th of February, 1781, and, of course, did not serve to the end of the war ; and,

3d. He obtained a pension under the act of May 15, 1828, (very improperly, in the opinion of the committee, as he was never entitled to commutation,) and this pension has been held by the Senate to be a full satisfaction of all claims for computation. See case of Isaac Bronson, 2d session 27th Congress, (1842.)

For these reasons, the committee recommend the following resolution :

*Resolved,* That the prayer of the petition be denied.
